Tuition Policy

Tuition is payable on a monthly basis and is due at the beginning of each month. Your child's tuition may be paid in full at the beginning of school, or at any time during the school year. The monthly fee is the yearly tuition divided by the number of months school is in session. All payments are equal regardless of the number of school days in each month.

- * The only exception is the September payment, which must be received by May 31, 2019.
 - * Any registration received after May 31st must include the Registration Fee and September tuition.
 - * A 20% discount is given to the second child enrolled concurrently from the same family.
 - * Every family will be asked to sign a Tuition Payment Agreement. In the event of early withdrawal from ONS, for any reason, parents must inform the school of early withdrawal in writing. Parents will be responsible for 30 days tuition from the date the written withdrawal notice is received by ONS.
 - * ONS reserves the right to cancel or change any class if enrollment drops below 8 students for 3K classes, and 7 students for 2K. We will keep parents well informed if any changes are pending.
